Mr. Baqridan

Chairman

(Ex Chairman RRB Gorakhpur)

From the Chairman's Desk

"Education is the most powerful weapon which you can use to change the world".
Nelson Mandela

At Excellence Academy, we aim to provide an outstanding education for your children to help them in becoming responsible and engaged members of society. Our endeavor is to impart education that crosses the boundary of formal education and also serves as a preparation for life-long learning. We strive to deliver a stimulating, purposeful, cheerful, safe and secure environment, enabling all children to develop academically and socially.

I welcome you to accompany us on this exciting, meaningful and blessed journey in the lives of your children and help them in realizing their true potential through effectual and beneficial guidance and motivation.

About the Chairman

Having served with the Central government for 36 years, Mr. Baqridan an IITan has an impeccable sense of commitment, duty and responsibility. He completed his B. Tech from the prestigious IIT/Roorkee and M.Tech from IIT/Delhi. He first joined MES (Military Engineering Services) at Vishakhapatnam as Assistant Garrison Engineer. It was that place where he equipped himself with life-tools of discipline, determination and commitment under extreme unfavorable situations. Thereafter, he joined Indian Railways and performed his duty exceptionally in various official capacities including Chairman RRB (Railway Recruitment Board)/Gorakhpur. Serving as Chairman /RRB he came to know deeply about the problems faced by young aspirants, especially from the rural area of Eastern U.P. and the adjoining area of Bihar, when appearing for competitive examinations and interviews. He retired from Railway service in 2016.

His humble beginnings, difficulties that he faced in his early years to gain qualitative education, invaluable experience and expertise and the determination to make a mark in society, motivated him to dedicate the second-innings of his life to provide a platform for imparting quality education to those who are less fortunate and to help the youth of today to pave a better path for their future. His mantra in life is deeply influenced by Dr. A.P.J. Abdul Kalam. He lives by Dr. A.P.J. Abdul Kalam's quote-

"You are the captain of your problems and never let the problems become the captain; defeat the problem and succeed. Once you tell yourself : 'I can solve this and I will do it well', there is nothing that can stop you from doing so."

THE TWO BEST DAYS OF SCHOOL THE FIRST AND THE LAST

Location of the School

The school is located in north direction of Gorakhpur at the distance of 8 Km. from the Medical college, Gorakhpur. It is situated on Gorakhpur – Maharajganj road in Bargadahi near Radio Station , Bhathat

Aims & Objectives

- The aims and objectives of the school are to concentrate on moulding and reforming the children in order to make them conscientious, loyal, respectful and responsible citizen.
- The main aim of the school is to train students, so that they may learn how to read, write, speak correctly and to have knowledge so that they feel confident and develop a mastery of the skills of education and learning for an energetic, wholesome, and productive life.
- The school is also very well exploring to get an individualistic approach of the life skills.
- Problem solving assessment program is well equipped for students to guide them how to cope up with the problematic areas of learning thereby making them more knowledgeable to cope up with the day to day changes.
- To create future corporate leaders, top notch professionals and entrepreneurs.

Mr. Mani K.S.

Principal

From the Principal's Desk

It gives me great pleasure to welcome you in Excellence Academy. we understand that our children are facing many challenges in today scenario, therefore we try to impart a 'Value based' education that will help our children to face life with confidence. Our curriculum emphasizes on activity-based learning for which we create a suitable environment and focus on the learning needs of each child rather than a predetermined set of pattern. Encouraging students to learn by doing, we promote a deeper level of understanding. Besides academic excellence, the school is committed to inculcate in all its students a strong ethical values of integrity, politeness, kindness and respect for others. I firmly believe that education should foster confidence, discipline, clarity in thought and decision making ability to set and achieve goals and above all to make a good citizen who contributes in nation building process. Let us all join hands in providing an exceptional education to our children and help them mould into responsible and active members of society.

So, while we wait for the fresh blossom we happily prepare the future torch bearers that would carry forward this rich tradition. The venture becomes easy and enjoyable with the dedication of the teachers and hard work of the staff and immense care of the parents.

My best wishes to each of them.
